

HYDRO - TECH IRRIGATION, CO. H

43813 Beaver Meadow Rd., Suite 200, Sterling, VA 20166
Phone: 703-263-2266 Fax: 703-263-3323

Basic Service Plan

Winterization:

- Shut off main water supply
- Use of compressed air to remove water from irrigation main and lateral lines, heads and valves
- Set controller to off position
- System will be guaranteed against freeze damage until the following spring turn-on

Spring Turn-On: (does **not** include checking of rain sensor)

- Pressurize irrigation system
- Check system for leaks
- Check head operation
- Adjust heads if needed
- Program controller with appropriate spring watering times
- Advise homeowner of any necessary repairs or modifications needed

(Any additional repairs shall be done on a time and materials basis.)

Plus Service Plan

(Includes all Basic Service Plan benefits plus:)

The PLUS PLAN (ENFP) Includes:

- Three (3) annual services: Winterization, Spring Turn-on and one Summer Assessment.
- Repair or replacement of any part of your sprinkler system (except pumps and their related components) that no longer functions — see PLUS PLAN Costs & Deductibles below.

The PLUS PLAN (ENFP) Excludes:

- Pre-existing and current damage, damage caused by utility companies, damage from excavation, installation of pools, patios, fences, decks, landscaping, heavy equipment driven/placed in yard, etc.
- Moving/raising of any system components
- Pumps and their components
- Acts of God
- Repairs by other

PLUS PLAN (ENFP) Costs & Deductibles:

- **\$95 per-visit deductible**--for repair or replacement of up to six (6) heads, internal valve components, sensor, module, one minor lateral pipe leak.
- **\$300 per-component deductible** for excavation (meter tie-in, valve manifold, etc.), conventional controller, flow meter, main line leaks requiring excavation by hand only (machine excavation or trenching will be billed separately), replacement of up to ten (10) heads, troubleshooting including electrical repairs.

(Term and conditions subject to change without notification)
